## Schlitz Beer is Good for You

The malt is a food; the hops a tonic. The alcohol—only 3 1/2 per cent—is an aid to digestion; a healthful stimulant. Schlitz Beer is brewed with the extreme of cleanliness—cooled in filtered air—and every bottle is sterilized.

It is one of the best things in the world for you. It does not ferment on the stomach, because it is aged—aged for months in refrigerating rooms before it is marketed.

It gives you beer without biliousness. Ask your doctor what he thinks about drinking Schlitz beer. Ask for the Brewery Bottling.

Phone 1014 and 930, Carse & Ohlweiler Co., 425-431 Eleventh St., Rock Island, Ill.

Twelfth Street and Fifth Avenue.  
Phone 1236

## DAVENPORT DOTS

The socialists are going to be in line with the democrats and republicans of Davenport. They have ordered a fine silk flag bearing the names of their candidates for president and vice president—Eugene V. Debs and Benjamin Hanford. The flag will be raised in a few days at the corner of Fifth and Marquette streets and Prof. Adam Keller has been asked to make the address. The Vorwärts Singing society will give the socialist march. The committee on arrangements is composed of A. Keller, C. Hansen and J. Koepke.

Hugo Becker, of Le Claire, through his attorneys, Lane & Waterman, has filed a petition for an injunction against the L. & I. railway company, asking that the court restrain the defendant from taking possession of the property owned by the plaintiff. This injunction suit will be a new difficulty for the Interurban railway to override before it can operate its road to Clinton.

At a special meeting of the board of trustees of the Northwest Davenport Turner society, the proposition of erecting the new gymnasium was thoroughly discussed. The trustees finally decided to erect the building provided that in doing so they would be able to keep the cost down between \$8,000 and \$10,000.

A petition in involuntary bankruptcy has been filed by Keokuk and Boston creditors against the shoe firm of Suelau & Lantau, doing business here at 312 West Second street. The petition was filed at Des Moines Saturday. The claim is all held by Murphy & Susemihl, attorneys for the creditors. The total assets of the firm of Suelau & Lantau are estimated at \$11,000, the stock fixtures and accounts of the firm being valued at \$8,000, and an equity in a South Dakota farm valued at \$3,000 more. The liabilities are \$14,000 consisting of merchandise debt aggregating \$6,000 and notes held by the Citizens' National bank of nearly \$8,000.

Edward Naven died Friday night at his home east of Oakdale cemetery, after an illness from cancer extending over a period of two years. The deceased was a farmer by vocation and was a native of Scott county. At the time of his death he was 40 years, one month and 19 days old.

James J. Fitzgerald died at 4 o'clock yesterday morning at his home, Eleventh and Scott streets, of Bright's disease. He was 55 years of age and a plasterer by trade. He was born in Brooklyn, N. Y., and came here in 1892. One son, John, and a daughter, who has taken the veil, survive. The funeral was held from the home at 8 o'clock this morning.

The building located at 322 Brady street, which belongs to M. J. Engel and which formerly was located the Golden Eagle grocery store and more recently a box ball alley, has been leased for a term of five years and will shortly be occupied as a vaudeville theatre. This theatre will be one of a chain of vaudeville theatres extending to the coast.

**For Japan on the Pike.**  
Probably never in the history of the world has there been attempted an amusement place on a scale more magnificent or elaborate than is "Fair Japan" on the pike at the world's fair in St. Louis. The entrance to this Japanese village probably is the most gorgeous and ornate building upon the grounds, being a replica of the famous gateway of the Nikko temple in Japan. Within one finds countless bazaar, quaint bridges of odd construction, tea gardens, a house in which a large number of the subjects of the mikado hold sway, a theatre in which 50 Geisha girls perform their native songs and dances, and a hundred other little attractions, the mention of which merely would take up valuable space, and yet would fail to describe. It is doubtful if in all the world's fair grounds, to say nothing of the pike alone, there is a concession which has created the interest which "Fair Japan" has aroused. The very best of the elite of St. Louis have made "Fair Japan" their headquarters and there is but little doubt that during the months to come this little garden spot will be patronized most extensively by those pleasure seekers who are looking for the best that money can buy.

## THE READ-UPHAM MARRIAGE

Head of Brown's Business College Here Weds Jacksonville Lady.

Walter Lee Reed, principal of Brown's Business college, has returned here with his bride, to whom he was wedded last week at Jacksonville, Ill. The Jacksonville Daily Journal contains the following account of the marriage:

At 7 o'clock Thursday evening at the home of Mr. and Mrs. A. M. Upham, on Sandusky street, was solemnized the wedding of Walter Lee Reed, of Rock Island, to Miss Una Rush Upham, of this city.

The ceremony was performed by Dr. F. S. Hayden, dean of Illinois college, using the beautiful ring service, in the presence of a limited company of relatives and friends.

The guests, upon arrival at the Upham home, were met by the ushers, Masters Walter Beadles and William Alcott, who directed them within. During the half hour preceding the marriage ceremony Miss Phoebe Kreider gave a program of vocal and instrumental selections, which were highly appreciated. The selections were: "All for You," "Love's Philosophy," "Rose Fable," "Because I Love You," "Romance." As the closing measures to the last selection were heard the soft notes of the bridal chorus from Lohengrin marked the beginning of the ceremony.

The bridal party entered from the hall stairway, and first came the ring bearer, little Helen Alcott, dressed in white; next came the maid of honor, Miss Emma Goltz, attired in a dress of pink silk tulle. She carried a huge bouquet of pink roses tied with a pink ribbon.

The bride was gown in a rich pattern of white silk tulle, made over white silk, and entraine. She wore a bridal veil and carried a large bouquet of bride's roses.

Passing to the west parlor, the groom and his best man, Harlan Eugene Road, met the wedding party and together they took their positions beneath a large canopy of asparagus fern and Queen Anne lace, hung from the ceiling extending in graceful lines from center of room to the floor. Here Dr. Hayden had already taken his position and beneath the canopy the ceremony was performed.

Following the ceremony sincere congratulations were extended, during which Miss Kreider played the Mendelssohn wedding march. After the congratulations had been tendered a delightful collation was served.

The interior of the house was handsomely decorated, the color scheme being white and green, secured by an abundant use of asparagus fern and Queen Anne lace. In the dining room a beautiful pink effect was brought out by a profusion of pink roses and candleabra with pink shades. In the hall the stairway railing was a mass of asparagus fern, while the upstairs rooms were shaded in yellow.

The bride is the youngest daughter of Mr. and Mrs. B. R. Upham and with the exception of the past two years has always been a resident of this city. Here she has many friends, sincere in their friendship because toward all she has extended a uniform courtesy and possessed of a charming personality she has made friends and kept them. She was interested in educational work and after her graduation from the high school she studied at Clark's school in Northampton, Mass., and later became an instructor at Cresheim hall, at the same institution, which position she held for two years.

The groom is a young man of strong character and for several years was a resident of this city, living here with his parents, Mr. and Mrs. Justin V. Read, until their removal from this city to Georgia.

Mr. Read was a member of the class of 1902 in Illinois college, where he was known as an all around college man. On leaving school he spent a year in St. Louis in the employ of the Boyd Furnishing company and resigned his position with that firm to take up work in Brown's business colleges. Here he has met with a large success, having in a short time so thoroughly applied himself to the work that his rapid advancement has placed him at the head of one of the largest colleges in the Brown system, and he is now superintendent of the college at Rock Island. Mr. and Mrs. Read were the recipients of many valuable presents. They left on a evening train for a tour, after which they will be at home in Rock Island.

The guests present from out of the city were: Mrs. J. V. Read and daughters, Misses Ethel and Louise; Mrs. James Crabtree, of Lawton, Okla.; Mrs. Percy Stone, of Springfield; Howard Read, of Chicago; Eugene Read, of Peoria; Col. July of Tallula; Mrs. Lou Nolan, of Rushville; Miss Alice Draper, of Springfield; Mrs. Lou Beadles and son, Walter, and daughter, Miss Jeanette, of Guthrie, Okla., and Miss Bullard, of Decatur.

**Sick Headache.**  
"For several years my wife was troubled with what physicians called sick headache of a very severe character. She doctored with several eminent physicians and at a great expense, only to grow worse until she was unable to do any kind of work. About a year ago she began taking Chamberlain's Stomach and Liver Tablets and today weighs more than she ever did before and is real well," says Mr. George E. Wright of New London, New York. For sale by all leading druggists.

Hollister's Rocky Mountain Tea should be one of the toilet necessities of every lady of social prominence. Makes the face bright and sparkling. 35 cents, tea or tablets. T. H. Thomas' pharmacy.

## MOLINE MENTION

The infant son of Mr. and Mrs. Walter Ploeg, 1046 Twenty-first street, died Saturday of cholera infantum and was buried in the afternoon.

Lieut. E. A. Elden has received a check for \$499, pay for the local division of naval reserves while in the recent cruise. The boys will each receive a few cents under \$8 and the money will be distributed this evening. In two weeks an election will be ordered to fill vacancies.

Christ Reese, one of the old settlers of Moline, succumbed to an attack of phthisis at his home, 504 Fourth avenue, Saturday. Two years ago Mr. Reese had the misfortune to fall down stairs, which caused chronic bronchitis and this developed into the disease which caused his demise. He had consultation with some of the most prominent physicians, but could find no relief. He was born in Germany, Sept. 8, 1851, where he lived until he was 12 years of age. In 1863, in company with his parents, he came to America and settled in Moline in the early days. His marriage to Miss Laura Gotsche was celebrated in 1876, and she died in 1895. He was a brick burner by trade and worked in the yards around Moline. Several years ago he joined the volunteer fire department and served there for a number of years. Four children survive, William, Edward, Mrs. H. P. Hansen and Mrs. Charles Baker, also one brother, Harry Reese.

Members of the East End Athletic club have elected Otto Trefz manager of this year's football team. The boys of the east end had a winner last year and the prospects for a champion team are brighter than they have been for some time. Several new men have joined the club and this will strengthen the team. The boys will don their suits for practice the latter part of August for they will schedule many games this season and they want to open the season early. The manager will try and get the crack Peoria team here for the opening game, which will be played about Sept. 18. This team is a strong one and should prove a good drawing card. Some of the best teams of Illinois and Iowa will be seen on the gridiron this fall and the lovers of the game will be treated to some sensational playing.

Word has been received by Charles Johnson, who is employed in the fitting department of Deere & Co., that he was one of the lucky ones to win a homestead in the government lottery at Chamberlin, S. D. Out of the 2,000 prizes which are to be awarded to the people drawing the lucky numbers, he received claim No. 1,569. He is the first man of Moline to win a prize.

Carrie, the 12-year-old daughter of Mr. and Mrs. D. M. Littig of South Moline Friday afternoon met with a most painful accident, which may yet have serious results. The girl was playing on the floor upon which lay a needle. In some manner the needle was forced into the girl's knee so far that it could not be seen nor extracted by home methods. Physicians were summoned but the needle could not be recovered. Three doctors have attended the girl, all of whom have used x-rays. Two of the physicians could not see the needle by the ray, but the third claim that it was visible. Unless the needle is recovered by means of an operation, blood poisoning is feared.

New alleys are soon to be installed in the Brunswick bowling and billiard hall, and with the advent of the bowling season Moline will be well equipped for the fall and winter sport. The ten-pin knights give promise of showing great enthusiasm over the game this year and a strong league consisting of two teams from each of the three cities will probably be formed to play as in past years. A contract calling for four new alleys in the Brunswick hall will be let within the next couple of weeks. The old alleys will be taken out and when the season opens Moline will have a hall second to none. Steps toward the formation of this year's league will be taken in the near future. The probabilities are schedules shorter than in past years will be arranged, and possibly two separate schedules, one to run from October to December and the other to open after the holidays and continue to early spring, will be attempted. The city has good bowling material, and though in the past no Moline team has captured first place in the race a determined effort to land the honor will be made this year if the league is formed.

**Notice to Contractors.**  
Sealed proposals will be received at the city clerk's office, Rock Island, Ill., until Monday, August 1, 1904, at 5 o'clock p. m. for the construction of a bridge over Rock river. Plans and specifications on file at the city clerk's office.  
Certified check in amount of \$500 to accompany each bid.  
The city reserves the right to reject any or all bids.  
Rock Island, Ill., July 21, 1904.  
H. C. SCHAFFER,  
City Clerk.

I find nothing better for liver derangement and constipation than Chamberlain's Stomach and Liver Tablets.—L. F. Andrews, Des Moines, Iowa. For sale by all leading druggists.

**To Cure a Cold in One Day**  
Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25 cents.

## IT IS NOT A REVOLUTION

**B**UT a fact that all recognize. Acquaintance is established and the people know that the Quaker Doctors have only honesty and friendship for suffering humanity to anchor the afflicted in the port of health.

For many years the Quaker Doctors Anselone and Blankner have visited the tri-cities and to the suffering the words of praise from the lips of hundreds of families that the Quaker Doctors transpired so loved one from disease to health, and on this return visit to the Rock Island House they have been welcomed by many with grateful admiration.

Some were afflicted with rheumatism, some with heart trouble, some with disorganization of the stomach so that the curtain between two eternities had fallen and despair, gloom, despondency disappeared like mist before the morning sun under the skillful and scientific treatment of the Quaker Doctors.

Others again were afflicted with diseases of the kidneys, involving the bladder and complicated leading to a downward loss of vitality and derangements of the sexual organs such as are known as the loss of manhood, varicocele, hydrocele, strictures and all other diseases affecting the genito-urinary organs, and these diseases require a master who knows how to adjust the delicate organs to their proper function. If you are thus afflicted, you will be wiser to consult the good, kind, honest Quaker Doctors at the Rock Island house for a restoration from disease to the sunlight of health, as many have said on our return, "God bless the doctors."

## Diseases of Women.

If you are tortured, no more need be said. Consult the Quaker doctors at the Rock Island house, and the blessings of perfect physiological organization will be yours.

Doubt not, for in doubt you often lose an opportunity, and you have now the privilege of consulting the Quaker Doctors that know and do not experiment.

## Teeth Extracted Without Pain.

Dr. Blankner, so well known in the tri-cities among the best class of people for his ability to remove all diseased teeth under the influence of a smile without the use of chloroform, ether, gas or any other dangerous drug. From one to thirty-two teeth extracted with so much ease—be they old roots, ulcerated or whatever the condition. Do not hesitate. Do not suffer, but come at once to the Rock Island house.

Consultation free.

Office Hours—9 to 12 a. m., 2 to 5 p. m., 7 to 8 p. m. Sundays 10 to 12.

## We Don't Need the Money, Maybe You Do?

Money loaned on all articles of value. A trial is all we ask. We have a few exceptional bargains in diamonds. Siegel's Loan Office, 320 20th St., Phone West 816, 4 rings.

## It's Quality That Counts

**ACrowning Success.**  
You have the pleasure of knowing that when a tooth is beyond filling you can have a fine 22-K Gold handmade Crown placed by us for \$5.00. We could do it for \$3 or \$4 but we don't do any poor, cheap work and when you get a \$3 or \$4 crown you get cheap gold, cheap solder, and poor labor. So it will pay you to pay more and get someone you know will wear for ten years or more.  
Our prices are in reach of all. We don't expect to get all of the business you have, but we will please you if given a chance. All work done at this office is guaranteed and done by skilled dentists of 15 years' experience.  
Phone 822 Green, old phone.
